

## 2022 Application for Scholarship

### Instructions

To assist the educational endeavors of doctoral scholars of African descent, the Founders of APADS created a scholarship designed to: 1) Fund dissertation research activities; 2) Fund costs associated with printing of dissertation; and, 3) Assist with costs associated with the purchase of books, supplies and tuition incurred while enrolled as a doctoral student.

This year APADS will award one \$500 scholarship to any currently enrolled doctoral student and/or Association member of APADS.

In addition to the above criteria provided for each scholarship, all applicants must:

- Possess a completed and approved (by the degree-granting institution) preliminary dissertation proposal;
- Have completed all dissertation coursework;
- Have completed the qualifying exam; and,
- Be actively conducting dissertation research.

Awardees will be required to sign and return a Scholarship Acceptance Form accepting the responsibilities of the Scholarship. Scholarships will be officially awarded during the APADS General Meeting in June. A student cannot be awarded more than one (1) APADS scholarship.

Applications must be completed and postmarked or emailed by the stated deadline of **May 16, 2022**, to be eligible for consideration.
